

Dissatisfaction

Pastor Kevin Myers

Genesis 3 (Page 3); John 15:1-8 (Page 1068)

1) Let's be CANDID

Every marriage knows seasons or cycles of D_____!

**Every marriage does not know "how to" mature through
D_____!**

2) Let's be COURAGEOUS

- **Marriage maturity starts/sustains with "No Options"**
(Optional thinking leads to optional living.)
- **You cannot have 20 years of maturity in a 5 year marriage, but you can have 5 years of maturity in a 20 year marriage.**
(Where is your marriage?)
- **If your dissatisfaction is not rooted, it will uproot your marriage.** (John 15:1-8)

Q: Is your core dissatisfaction owned by you or dumped on your spouse?

Q: What would have to change for you to get rooted?
